Important notes

1. Please keep in mind that each funder has different guidelines, priorities, deadlines and timetables. In addition, funders who accept this form may require a Pre-application Summary or request additional information at any stage in their inquiry process. Know:
  - Each funder’s grantmaking philosophy, program interests and criteria.
  - Be aware of each funder’s application process, including timetable and the funder’s mission.
  - It is imperative to follow specific instructions from the funder.
2. Include a cover letter that outlines the strategic link between your proposal and the funder’s mission.
